

## Coaching Service Agreement

I agree to be your coach/advisor and to partner with you to identify and achieve your personal and professional goals.

# Life Scripts

While I cannot guarantee your specific results, I will bring my years of experience, focused attention and compassionate non-judgment to helping you to find relief in your current situation and to give you positive, practical tools for renewal.

Our time together is your time and I will be completely focused on you while I work on your case.

I will use my considerable skill and intuitive powers to draw themes and patterns out of what you tell me. By bringing these to your conscious awareness, we can find the tools you need to be who you want to be and to accomplish more than you thought you could.

I take your trust and your privacy very, very seriously. I will protect your personal information and your internal workings in every way I possibly can. I will conduct all my interactions with you at the highest level of ethical and professional standards.
